Neighborhood Revitalization Pilot Program

RESIDENTIAL FAÇADE PROGRAM

Revitalization of Your Neighborhood

ELIGIBILITY TO PARTICIPATE:

Must be in defined area of Terrytown, Louisiana.

Single family detached owner- occupied homes, only.

Must be current on mortgage (if financed).

Must provide proof of insurance on hazard and flood (if required).

Must be current on property taxes and liens.

Louisiana driver's License, state ID, permanent resident card, or passport required.

A \$500 application fee is due to N.O.E.L upon selection and signed agreement.

ABOUT THE RESIDENTIAL FAÇADE PROGRAM:

This program is intended to spruce-up properties through impactful-visual changes to enhance the appearance of the home and neighborhood.

Up to \$8,500 per home may be awarded for exterior enhancements of the home.

This program is brought to you in partnership by the following organizations::

Selection by lottery. Completed application with photos of requested work required. Licensed insured contractor to be assigned by N.O.E.L. and funding available through JPFA.

N.O.E.L. is a 12-year-old 501 c(3) Non-profit Organization who has facilitated home repairs to homeowners throughout Jefferson Parish. To date, N.O.E.L has had an economic impact of \$1,900,000 to rehabilitate parish properties.

Curb appeal for older Terrytown homes is often costly and can be seen as a luxury rather than a necessity. The Terrytown Façade Pilot Project was created to make your neighborhood a better place to live and to raise a family.

Eligible repairs for this program include the front exterior of the properties, including:

- Landscaping*
- Repair or replacement of front doors, windows & shutters
- Repair of soffit, fascia & rotted wood,
- Repair or replacement of driveways & sidewalks
- Painting on replacement items

**Ongoing care and watering are the responsibility of the homeowner.*
